Consumers, wishing to avail themselves of the ıce issue, may draw the same on presenting their at the respective ration shops.

(P. N. No. 305—28-3-51).

Press Note.

Health of Livestock for February 1951.

their order of severity, outbreaks of Rinderpest, lquarter, Foot and Mouth, Anthrax, Ranikhet, orrhagic-septicæmia, Sheep-pox Contagious goat o-pneumonia and Rabies were encountered in the e during February 1951. Altogether 182 villages were ported to have been affected by one or the other of the al contagious and infectious diseases, as against 161 ges during the previous month. The number of outs was highest in Kolar, Bangalore and Tumkur icts, while Hassan, Shimoga and Chikmagalur Dis- were least affected. These diseases accounted for ttacks of which 1,281 succumbed, as against 1,053 and 712 deaths during the previous month. The ental staff conducted 33,438 preventive inocula- d vaccinations against all the above diseases except d Mouth disease. In the absence of a reliable of vaccinatory intervention other prophylactic es were adopted against Foot and Mouth disease.

outbreaks of Rinderpest of which two were among nd goats were registered in Bangalore South, gere and Chitaldrug Taluks accounting for 24 attacks cattle and 1,300 attacks among sheep and goats, of 14 cattle and 840 sheep and goats succumbed. pt measures of control were undertaken by the rtment to check its spread and 1,438 cattle in the in- villages and 14,015 cattle and 82 sheep and goats 36 neighbouring villages extending over a radius of miles were protected against this disease. The e appeared to be well under control at the end of the under report.

alence of an obscure disease characterised by Gast- is among cattle and buffaloes in Hassan and Chik- r districts was reported during the month. The the Department have protected 371 animals during oath in these districts against the disease.

ses caused by internal parasites were reported 0 villages resulting in 67 deaths, as gainst 118 s accounting for 49 deaths during the previous . The special staff attached to the parasitic disease l units of the Department dosed 3,30- animals as st 8,344 animals during the previous month.

rest of the livestock remained free from diseases g the month and fodder and water were generally able throughout the State.

Press Note.

For the purpose of dealing with the problem of refu settled in Mysore State, Government constituted in De ber 1947 a Committee called the Mysore State Refu Relief Committee representing the various interests cerned. This Committee continued for a period of two y (1948-50) and after a review of its work, Governr found that it was no longer necessary to continue Committee, and in its place an Advisory Committee ca the Advisory Committee for Rehabilitation of Displ Persons was appointed with effect from 21st February 1 Subsequently, the Financial Secretary to Government co-opted as an additional member of the Committee considering questions relating to the disbursement of l to refugees. The Secretary to Government, Local Government Department, who deals with the refugee q tions on Government side, has also been co-opted as additional *Ex-officio* Member of the Committee.

Recently, in November 1950, the Chairmen of Advisory Committee suggested that in the interes expediting the work connected with the grant of l to refugees, the Advisory Committee be empowered sanction these loans themselves. It was considered des ble to give certain powers to the Committee in this be and orders have accordingly been passed empowering Advisory Committee to sanction loans from out of funds placed at their disposal for the purpose from tim time, to the refugee applicants settled in Mysore State to a limit of Rs. 2,500 in each case. In cases excee this limit, previous sanction of Government will obtained as hitherto.
